January 2025 - On going

- Developed complete visual identities for independent clients.
- Designed logos, marketing collateral, and social media content aligned with brand strategy.

EDUCATION

Bachelor of Visual Design & Communication - JUST

- 2022 – 2026
- Relevant Coursework: Visual Identity Design, Visual Storytelling, Motion Graphics, Video Production, UX/UI Design.

KEY PROJECTS & COMPETITIONS

Graduation Documentary Film – كُنَّا هُنَاكَ (We Were There)

- Directed and produced a documentary exploring the relationship between football, national identity, and collective memory through the story of Jordan's national football team.
- Led the project from research and development to filming, interviewing, editing, and post-production.
- Applied documentary storytelling, cinematography, sound design, and visual narrative techniques to create an emotionally driven film.

Heritage Hackathon – Al-Hussein Technical University

- In partnership with ICOMOS Jordan & British Council for Research in the Levant
- Reached the finals with a concept and mobile app design aimed at preserving Jordanian heritage.
- Applied UX/UI design principles and visual storytelling to address a cultural preservation challenge.

Short Documentary Film – Masterclass with Director Ahmed Higazy

- Directed and produced a short documentary film as part of an intensive filmmaking workshop.
- Developed skills in visual narrative, cinematography, and post-production workflow.

Collective Documentation Workshop – Darat al-Funun (with Director Asma Bsisu)

- Produced a short documentary about Amman city based on street interviews and community stories.
- Explored the relationship between urban space and collective memory through documentary filmmaking.
